CAREER OBJECTIVE

As an Electrical and Electronic Engineering graduate from NSTU with hands-on experience in circuit design, electrical systems, and power system operations, strengthened by industrial training at the Training Institute for Chemical Industries (TICI) and a proven leadership record as Vice President of the NSTU EEE Association. Combining a strong academic foundation with practical exposure to power systems, embedded design, and industrial automation, I am seeking to apply strong academic standing, research acumen, and mentorship abilities toward inspiring future engineers and driving innovative technical solutions within a progressive academic, research-focused organization or a progressive engineering firm, while continuously growing through innovation, teamwork, and sustainable learning.

ACADEMIC QUALIFICATIONS

Bachelor of Science in Electrical and Electronic Engineering (EEE)
Noakhali Science & Technology University (NSTU), Noakhali, Bangladesh
March 2022 – August 2026 | CGPA: 3.90 / 4.00 | 1/23

Higher Secondary Certificate (HSC), Science
Chittagong Engineering University School and College (CEUSC), Chittagong, Bangladesh
June 2018 - 2020 | GPA: 5.00 / 5.00

Secondary School Certificate (SSC), Science
Rangunia Khilmogal Rasik High School, Chattogram, Bangladesh
January 2016 - 2018 | GPA: 5.00 / 5.00

INTERNSHIP & INDUSTRIAL EXPERIENCE

Computer Office Application Course - Bangladesh Technical Education Board (BTEB),
Base Mahbub Alam Chashi Gonobiddalay.
6 Months (Cirtificate)

Industrial Technology on Electrical Engineering & Instrumentation
Training Institute for Chemical Industries (TICI), Narsingdi, Bangladesh
April 5 - 17, 2025 *(Cirtificate)*

Training on Solar System Planning, Design, Installation, and Operation for Engineering Students
Daffodil International University, Dhaka, Bangladesh
August 20 - 31, 2024 *(Cirtificate)*

Training on Generation, Protection, and Transmission of Electrical Power System
Chowmuhani 113 MW HFO Power Plant, Noakhali, Bangladesh
March 2022

Visiting and Training on Local Distribution Transformer (32KV/440V)
NSTU, Noakhali, Bangladesh

Visiting and Training on PLC Automation
BSRM (Bangladesh Steel Re-Rolling Mills), Kilmurari, Zorargonj, Mirsarai, Chattogram, Bangladesh

ACADEMIC PROJECTS

- Model of Humidity and Temperature Control for Crops - March 2025
- Line-Following Robot (LFR) Design, Team Project - December 2024
- Digital Tachometer Model using Arduino Uno - June 2024
- BCD Code Generator using 7-Segment Display - June 2024
- Design and Implementation of Binary to Gray Code Converter- June 2024

- Design and Implementation of a 2-Bit Adder and Subtractor- July 2024
- Design and Implementation of 4-Line Decoder and 4-to-1 Multiplexer- July 2024
- Design and Implementation of JK Flip-Flop- August 2024
- Object Detection and Radar Defense System built with Arduino - March 2023
- Low-Cost Fire, Gas & Smoke Detection and Notification System - September 2022

LEADERSHIP EXPERIENCE

Vice President - NSTU EEE Association, Noakhali, Bangladesh — March 2025 - June 2026
Class Representative - Department of EEE, NSTU — July 2023 - August 2026
Executive Member - NSTU Robotics, Noakhali, Bangladesh — April 2022 - March 2026
Executive Member - NSTU EEE Association, Noakhali, Bangladesh — March 2022 - March 2023

HONORS & AWARDS

- University Merit Scholarship, for 8 semesters during undergraduate studies (2022-2026)
- Contribution Award, Organizing Vice President, EEE Day 2026
- Canada Bangladesh Education Trust (CBET) Scholarship, June 2022 - June 2025
- Ankur Undergraduate Scholarship, Bangladesh, January 2023 - January 2025
- 2nd Place, Intra-Department Slide Presentation, Team, June 2024
- Outstanding Contribution Award, Volunteer, 2nd International Conference on Machine Intelligence and Emerging Technologies (MIET 2024)
- Contribution Award, Organizer, EEE Day 2022

SOME COURSES

- Python Developer Certification Program - W3Schools
- Personal & Professional Communication - 10 Minute School
- PLC Programming

VOLUNTARY WORK

Organizing Committee, Intra-Department Contest - NSTU EEE Association *(Cirtificate)* — March 2025 - March 2026
Founder and Advisor - General Students Association (GSA) — July 2025
Volunteer, 2nd International Conference on Machine Intelligence and Emerging Technologies (MIET 2024) *(Cirtificate)* — November 2024
Volunteer,NSTU EEE Association. *(Cirtificate)*

LANGUAGE PROFICIENCY

Bengali: Native
English: Reading - High, Writing - High, Speaking - Medium
Hindi/Urdu: Speaking – Medium
